# GLOBAL LIFE SUPPORT & SPONSORSHIP SERVICES

# WHY ECS?

ECS delivers the responsiveness of a small business with the infrastructure of a global partner. Our embedded compliance culture, vetted local vendors, and rapid mobilization capabilities set us apart. Each mission is supported with personalized service and rigorous operational integrity.

## COMPLIANCE-DRIVEN APPROACH

ECS adheres strictly to host-nation labor, tax, and residency regulations while aligning with U.S. export laws (International Traffic in Arms Regulations/Export Administration Regulations or ITAR/EAR), Foreign Corrupt Practices Act (FCPA) standards and Department of Defense requirements. Through Technology Control Plans, proactive risk management and local legal engagement, we ensure every deployment is compliant and audit-ready.

## CORE CAPABILITIES

- Integrated life support solutions including housing, transportation, dining, and facilities management
- Visa, labor, and residency sponsorship programs tailored to host-nation laws
- Health, safety, and rapid emergency response
- In-country procurement, logistics, and equipment maintenance
- Active coordination with base commands and government authorities

## PROVEN RESULTS

- Zero-disruption sponsor transitions under tight deadlines
- Support to U.S. Army Foreign Military Sales (FMS) or Status of Forces Agreements (SOFA) worldwide
- Coordination of base access, passes and government engagement
- Full-spectrum logistics support from vehicles to housing to communications
- Executed emergency evacuations from Afghanistan and Lebanon
- Coordinated and procured compliant local medical health insurance in host nation

## GLOBAL REACH

- With operational experience across the Middle East, Asia, Europe, Africa and the Americas, ECS has supported personnel in countries including Saudi Arabia, the United Arab Emirates, Morocco, Indonesia, South Korea, Kuwait, El Salvador and throughout Europe and the United States.
- Our established relationships with U.S. embassies, host-nation ministries and Offices of Defense Cooperation ensure seamless execution.
