

ENTERPRISE TRAINING SERVICES CONTRACT

PROVIDING GLOBAL TRAINING AND SERVICES TO MILITARY TEAMS

The Enterprise Training Services Contract (ETSC) is a seven-year Firm Fixed Price (FFP) Multiple Award (MA) Indefinite-Delivery/ Indefinite-Quantity (ID/IQ) contract with two Lots: one for Small Business Set-Aside (SBSA) and one for Full & Open (F&O). The SBSA Lot includes non-contingency operations and non-austere environments, while the F&O Lot includes contingency operations and support for Army, Joint, and Security Cooperation Exercises.

As a Prime Contractor on the ETSC multi-award indefinite delivery/indefinite-quantity contract, our Global Services team currently manages multiple task orders. We have currently and recently provided a workforce of dedicated professionals supporting our military and civilian personnel in contingency operations and training programs in Texas, Saudi Arabia, Indonesia, the United Arab Emirates, Morocco, and El Salvador.

Current and Recent Programs Include:

- Foreign Military Sales (FMS) Aviation Simulation Instructor/Operator (I/O)
- Defense Support to Civilian Authorities
- Chemical, Biological, Radiological and Nuclear, Response Enterprise (CBRN CRE)
- Joint Conflict and Tactical Simulations (JCATS)
- El Salvador Bell 412 Maintenance
- Detainee Operations
- Senior Instructor Operator (SIO) and Gunnery/Knowledge Wall Maintenance (KWM)
