

GLOBAL SERVICES

DELIVERING EXPERT WORKFORCE GLOBALLY

ECS is dedicated to providing a highly skilled workforce of experienced professionals who specialize in training, coaching, staffing, and management services aimed at enhancing the capabilities of Military Service Members and Frontline Workers. Our comprehensive support extends globally throughout the continental United States (CONUS) and internationally (OCONUS) in diverse locations. ECS offers a wide range of training, maintenance, and sustainment services tailored specifically for the Army, Navy, Marine Corps, and Air Force. Whether acting as a prime contractor or a subcontractor, ECS takes pride in our commitment to the Military and its Frontline Workers across the globe.

Our primary objective is to enhance both individual and team performance in operational settings. The focus is on supporting medical, aviation, and combat teams by delivering immersive training experiences that are both live and virtual. In addition to our training programs, we also augment the workforce with knowledgeable personnel, ensuring that our clients are equipped with the skills and resources necessary to succeed in their missions. Through our dedicated services, we aim to foster growth, development, and preparedness for those who serve in challenging environments.
